SPRING SUMMER

2025

LOOKBOOK

Sophisticated minimalism that playfully combines avant-garde and tradition with details of military-rock and glam-chic.

This is the new Replay Atelier daywear collection, which proposes clean lines and whispered details, for a precise and careful look that creates a versatile wardrobe.

A denim-glam feel for skilfully combined garments with alternating shapes and sizes.

Denim pants play alongside slim and super-fit designs featuring a variety of washes and alternating pale, very pale and dark shades.
